### **About Sarah McLachlan**

Sarah McLachlan is one of the most celebrated singer songwriters in entertainment with over 40 million albums sold worldwide. She is an eight-time Juno Award winner and a three-time Grammy Award winner. McLachlan's landmark fifth album, the 10x-platinum SURFACING, contained two Grammy Award-winning tracks: "Building a Mystery" and "Last Dance." In addition to her personal artistic efforts, she founded the Lilith Fair tour showcasing female musicians which raised over \$7 million for local and national charities over its 3 years and in 2002 founded her non-profit organization the Sarah McLachlan School of Music. The school provides free afterschool music education for at-risk and underserved kids who otherwise would have no access to music programming. From an early age, music provided Sarah with the tools she needed to navigate the challenges she faced in her life so she recognizes how important it is for every child to have those same opportunities. McLachlan's latest album SHINE ON was released earlier this year, it explores her personal journey over the last three years navigating love, loss and change. SHINE ON celebrates the human ability to grow from our experiences, thrive and shine on. The coast-to-coast SHINE ON CANADIAN TOUR kicks off in Victoria next month.
